Letter no. 897/33-34 dt 11.5.34 from the Muzrai Commissioner forwarding records relating to the appeal of Hurlé Kollappa goud a Claiming certain arrears of cash grant in respect of the Management of Sri Viswesvara temple at Kodasan Sagar Taluk.

Sri Viswesvara temple at Kodasan in the Kadur District.

Sagar Tq is a village Muz. Inst. enjoying a Inam cash grant of Rs 7/8 p.a. From an Extract of the Inam Register among the Inam records it is seen That one Poojari Nagappa was enjoying the Inam grant. What relation the said Nagappa is to the above said Nagappa is not clear from the records. The petitioner says that he this ancestors have held since the Vatan was of the Institution for a number of years before and under whose orders this was done has not been produced by the Muz. Officers. The Valiwatandar himself has failed to produce any such order. The arrears claim pertains to the following years:—

1911-12
1914-15
1915-16
1916
20-21
1923-24
1926-27

Records received do not throw light on the system of payments in such matters — whether the arrears or Vahivatdars present the bills prepared beforehand before the concerned officers or whether the grant is drawn and paid after the Mamlatdar's visit. The amount claimed is in respect of broken periods and hardly ever has been satisfactorily obtained either by the petitioner himself or in the Taluka office records. It is a matter to the knowledge of all is customary to draw these cash grants a month advance either by the Arrears or by the Vahivatdar at his appearance before the concerned officers in which case the latter draw the grant for the occasion and distribute the same to the Arrears themselves. Records are silent on this matter.

Further in matters of this kind the records contain always a Mahazar executed before Local Panchas either before the Amildar or the R. D. viz: the regular performance or otherwise of Pooja during the years for which payments are claimed. In this particular case there is no such record [illegible] excepting a statement of 1870-71

A hurried perusal of the petn
shows that there is no argument
both the same advanced by the

that 'owing to heavy & continuous floods

And after 7 years he has not received payment. He also says in the petition "the petitioner has not consciously had he had not drawn payment" for seven years. Such absent-mindedness is inexcusable and [illegible] cannot be accepted as has been made payment for 13-14 but not for 14-15, for 15-16 but not for 16-17 to 18-19 & so on. In these circs the Govt grants to the [illegible] seems to be correct and may perhaps be upheld.

The General Secretary to
The Government of Mysore,

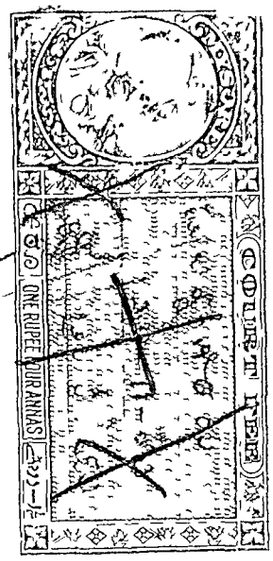
BANGALORE.



Petitioner,

Hurli Kollappa Gouda, son of Rudrappa Gowda age 50, Lingayat Zamindar, and Representative Assembly Member, Residence Hurli, Sagar Taluk.

Revision petition re.. Payment of arrears of the Cash Inam in respect of the management of the Sree Visweswara Temple at Kodasur Village. Kudarur, Sagar Taluk

Under section 115 of the Civil Procedure Code.

Sir,

The petitioner humbly begs leave of your honour to submit that he has been managing the Sree Visweswara Temple at Kodasur in the Kudarur Village (Sagar Taluk) as its Vaiwatdar for the last so many years to the satisfaction of all the concerned parties and the public. The petitioner being 25 miles away from the Taluk Head- Quarters was not able to come to Sagar regularly at the proper time to receive the cash endowments fixed and paid for by the Government in respect of the services rendered to the temple. Owing toheavy and continuous floods in the River Sharavati from about the commencement of June onwards till the Dasara and owing to the inconviences of the travel, in the rainy season in this Malnad Tract the petitioner invariably received the reply when he requested payment in October that the amount was not at his credit at Sagar and that it so happened that unknowingly the emoluments for the years 1911-12,1914-15, 1915-16,1919-20,1920-21,1923-24,1926-27 were not at all received by the petitioner. The formalities to be observed

observed, the intricate procedure to be follwed and the occasional attendance required, more or less frightened away the petitioner from further attempts and has been since receiving payment regularly to prevent further complications. The petitioner was not concious that he had not drawn payment for services rendered to the temple for a period of seven years due to the fact that man's memory fades after a certain lapse of time. When he came to know casually from a reference to the records that the arrears had accumalated for seven years and that it was a decent sum, the petitioner in order to make amends for his past forgetfulness applied with due diligence to the Amildar, Sagar to recommend his case for the sanction and payments of the lapsed amounts to him. The Deputy Commissioner, Shimoga by an order Dis Muz C 1807/30-31 dated 8-10-1932, M.R.C.97/31-32 dated 12-10-1932 of the SubDivision Officer, Sagar communicated that no recommendation could be sent for its sanction and due payment. On receipt of the order by an endorsement of the Amildar dated 3-11-1932 in Mis No.46/31-32, t he petitioner applied to the Deputy Commissioner, Shimoga by a petition dated 23rd November 1932 to review his previous order and recommend the petitioner's case to enable to receive payments of the above mentioned emoluments. The Deputy Commissioner Shimoga by an endorsement dated30-12-1932 declined to review the previous order and the petitioner appealed to the Mugarai Commissioner by an appeal petition dated 23-1-33 in Appeal No. 22/32-33. The petitioner's above mentioned Appeal has been rejected by the Muzzarai Commisioner on the ground that the claim is much belated and is not verifiable. The endorsement dated 8-11- 1933 has been herewith appended.

The petitioner begs to submit that the claim advanced by him is specific and clear and related to the payment in respect of certain years of a definite sum in the form of

of emoluments for services rendered as waiwatdar of a temple at Kodasar in Kudurur Village(Sagar- Taluk) and the petition -er has been managing the temple without giving cause for any complaint whatsoever. In the light of the above circum stances and in view of the fact that the Inam amount fixed is too small a return for services so conscientiously and assiduously rendered by the petitioner who isarespectable Zamindar and taking into consideration the natural causes which prevented the petitioner from receiving payments for the years as they fell due, the petitioner prays that a just and benign Government may be pleased to reconsider my case favourably and order payments of the above amounts by setting aside the orders of the subordinate authorities forwhich act of kindness the petitioner will be ever grateful as in duty bound.

I beg to remain,

Sir,
